Dear Parent/Guardian

End of Half Term Update

As we approach the end of another successful half term, we would like to take this opportunity to share some important updates and highlights from Maiden Erlegh School.

We are pleased to inform you that, effective immediately after half term, there will be a change in the Senior Leadership Group (SLG) structure. This change aims to enhance our school's leadership capacity and enable us to provide even better support to our students, parents, staff and stakeholders. It is important to note that the Assistant Headteacher's assigned to year groups have changed. Please see the new structure below:

As the term draws to a close, we bid farewell to our Year 11 and Year 13 students as they start their study leave in preparation for exams. Exams are an important milestone, and we are confident that with the guidance and support from our dedicated teachers, our students will excel in their assessments. We would like to remind them to maintain a balanced approach, take breaks when needed, and seek help whenever necessary. Together, we will celebrate their achievements. Simultaneously, we eagerly anticipate the opportunity to welcome new students to our school, and our dedicated transition team is working tirelessly behind the scenes to ensure a warm and seamless transition for each and every one of them. We are confident that they will quickly become valued members of #TeamMaidenErlegh.

We greatly value the input and feedback we received from our school community via our Slick and Slack feedback form. Your insights and suggestions help us continually improve our school and ensure the best possible educational experience for our students. We would like to express our sincere gratitude to all the parents who have taken the time to provide feedback this year. We are actively reviewing your suggestions and will be implementing relevant changes in the future.

In response to the valuable feedback we have received from students, parents, and staff, we have reviewed our detention policy. We have implemented changes that aim to make detentions a more constructive and supportive experience. Our updated approach will focus on helping students reflect on their actions, learn from their mistakes, and develop strategies for personal growth.

Throughout the year, we have seen numerous achievements, our students have consistently demonstrated their talent, dedication, and resilience. We eagerly await the opening of our GCSE Art Exhibition in the Peacock Gallery, which promises to be visually stunning. Congratulations to all those who have contributed to this outstanding display of talent.

Thank you to the whole school community for the overwhelming support for the 'Wear It Green Day', raising much needed funds for the Mental Health Foundation. We, as a community, raised an impressive £1062!

We have now appointed the new Sixth Form Senior Team. Over 20% of Year 12 applied, thank you to each and every one of them for dedicating their time and energy in presenting themselves in such an exemplary manner. Congratulations to the following students appointed:

Student Leaders

Josette O
Theo G

Deputy Student Leaders

Matthew H
Isabelle C
Sophie D
Manny A E

We are excited to see the new team in action and the impact they will make to the school.

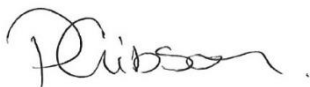

We are also thrilled to announce that our annual sports day is just around the corner. Sports Day provides an opportunity for our students to showcase their athletic abilities in a mixture of track and field, long jump, high jump, shot putt and javelin, along with a healthy dose of team spirit, and sportsmanship. The Year 7 sports day will be held onsite on Friday 23 June, and Year 8 - 10 will be held at Palmer Park Stadium on Wednesday 12 July. Further details regarding the event will be communicated to you closer to the date.

Last but certainly not least, we would like to express our gratitude for your ongoing support. Together, we have created an enriching, positive and safe environment for our students, enabling them to grow academically, socially, and personally.

As the end of the academic year approaches, we encourage our students to stay focused and make the most of the remaining time at school.

We wish everyone a restful and enjoyable half term break and look forward to welcoming you back for our final half term of this academic year.

Yours sincerely

Mr P Gibson
