Dear Parent/Guardian

### **Year 11 Examination Study Support Programme - Phase 3**

I wanted to write to thank you for all your ongoing support for Year 11 students and the staff that are working closely with them as they work their way through this year's public examinations.

I am delighted to tell you that the cohort's conduct has been excellent so far and the student body has made use of all the support that has been available to them and alongside this worked tirelessly to prepare themselves fully for each examination.

I am proud of them.

After half term, we enter the third and final phase of the examination study support programme the details of which I have attached to this letter.

During this phase, the timetable for all Year 11 students will cease which means Year 11 students will only need to attend school for examinations and pre-examination boosters.

Subject teachers will be available when lessons would ordinarily have been timetabled to offer guidance and support.

Students should always be in full school uniform when they come on to the site during this period and if they are visiting a teacher, they should sign in at reception.

Yours sincerely

Mr D. Pringle  
Head of Year 11
