Dear Parent/Guardian

### Year 13 - Home Study

We have given careful consideration to the request from existing Year 12 students going into Year 13 that they be allowed to study at home during their non-contact lessons.

With effect from Tuesday 5 September 2023, we have agreed that students may remain at home in the morning until their first timetabled lesson and also leave the site to study at home once they have finished lessons for the day. Please note students are still expected to attend their supervised study sessions, personal development lessons and Friday's morning tutor session.

We recognise the need for all students to hone their independent study skills as they prepare for university, apprenticeship, or employment and we trust individuals to make decisions about the best working environment for them.

If you would prefer your son/daughter to remain at school in their non-contact lessons, please email Mrs Garner and Mrs Hill [MESyear12@maidenerleghtrust.org](mailto:MESyear12@maidenerleghtrust.org) by Thursday 20 July.

Yours sincerely

Miss A Cheshire  
KS5 Assistant Headteacher
