Study

Students should be spending five hours, per subject, per week outside of timetabled lessons studying to ensure that good progress is made. The application of knowledge is vital so completing a range of past papers and questions is a priority. Part time jobs should not exceed 8-10 hours a week and jobs cannot be undertaken during school hours. Students must prioritise studies and accept any support that is offered.

Uniform

We would welcome your continued support in ensuring that your child is dressed according to the uniform policy. This can be found on our website [here](#).

Support

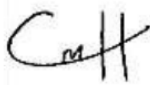

As always if you have any concerns about your child and their wellbeing please do get in touch. We very much want to work in partnership with you to ensure that your child reaches their full potential.

Thank you in advance for your support this coming year and if you have any questions or concerns then don't hesitate to contact us at mesyear12@maidenerleghtrust.org.

Yours sincerely
