Dear Parent/Guardian

### **Years 9 & 10 – Educate to Eradicate**

On Wednesday and Thursday of this week we hosted a talk 'Educate to Eradicate' by an organisation called Kaleidoscopic UK. All students in Years 9 and 10 had a one-hour group session, which aimed to educate our students on concepts such as consent, toxic masculinity and domestic abuse.

The talk was carefully designed to raise awareness on these topics so that students know what to recognise in both healthy and unhealthy relationships. In addition, the session shed light on the negative effects of toxic masculinity and encouraged students to challenge harmful stereotypes.

We are committed to fostering a supportive and inclusive school community and we feel that this talk contributed significantly to our student's persona and social development. We encourage you to discuss the topic of toxic masculinity, consent and domestic abuse with your child at home to help reinforce what was learned in the session.

If you have any concerns or questions regarding this event then please do not hesitate to contact myself or your child's head of year.

Yours sincerely

Mrs S Tanner
