Dear Parent/Guardian

### **Year 9 – Rebalancing of Groups in Option Subjects**

I write to inform you that, recently, we have taken some time to rebalance the teaching groups in the option subjects so that the student teacher ratios are as equal with each other as we can make them.

This means that for some students in Year 9 there will be a change in one or two option teaching groups.

I want to assure you that no students have had a forced option change and that is unlikely that we will have to do this work again.

These changes will become live on Tuesday 7 November and the students whose timetables have changed will be issued with a new timetable which will also be available to be viewed via the Bromcom app.

?

I also need to inform you that ability to change an option subject will no longer be available to Year 9 students.

Yours sincerely

Mr P Gillett  
Assistant Headteacher
