24 November 2023

Dear Parents/Guardians,

We will be holding a PPE results day on Thursday 30 November. This is an opportunity for students to experience a results day, collecting their results from the main hall with their peers and Year 11 teachers there to support.

The results will be given out during **lesson 5** in the **main hall**, and students will be dismissed from school as soon as they have received their results.

The PPE report will be uploaded to the Bromcom app later the same day, for parents to view.

We hope that this will be a time for reflection for our students. We encourage students to discuss their results with you at home.

As a school leadership team we will be analysing these results, celebrating their successes and putting in bespoke support where required.

Yours Sincerely,

Mrs Sophie Tanner

Assistant Headteacher –

Safeguarding (DSL) & Year 11 Pastoral and Quality of Education lead
