2 February 2024

Dear parents / Guardians

Year 10 – PPE Information

Please find ([Here](#)) some important information and details relating the forthcoming year 10 PPEs.

Whilst this information has been shared with all year 10 students, I felt it was important that I also shared the same information with you because I know you will want to support your son/daughter in every way you can.

The PPEs begin at 8:30 on Monday 5 February and finish at the end of the school on Friday 9 February.

The document attached should inform you of what students in year 10 will be doing throughout each day.

Please can I ask for your support in ensuring that you son/daughter attends each day in full school uniform and that his/her mobile phone is always switched off and any smart watch is left at home. I ask this because students, who in previous years, were unfortunately found with either mobile phones or smart watches on their person in public examinations were disqualified from that examination which is something we must avoid.

Kind Regards

Miss E. Avery

Head of Year 10
