

1 March 2024

Dear Parent/Guardian

Year 11 - Examination Support Programme 2024

Year 11 Revision Surgeries and the Revision Corridor

This half term sees the launch of countless subject specific revision support sessions or revision surgeries, which are initially aimed at supporting Year 11 students in their forthcoming PPEs and then targeted at supporting them all the way to their public examinations. They will take place after school and are housed as a “revision corridor” mostly in the year groups’ registration area on the G corridor.

These subject-specific sessions will be advertised to students through their tutors and available to view outside my office and on the Year 11 google classroom.

Pre-Public Examinations (PPEs)

There will be another period of PPEs taking place between Thursday 14 March and Thursday 28 March. They should be treated as examinations so that all the Year 11 students get the full benefit of such practice.

YEAR 11 Non Core PPE 2 Timetable – March/April 2024

Each non-core subject will set a paper, which is to be completed in a lesson during this PPE window.

Year 11 CORE PPE 2 runs from Thursday 14 March to Monday 18 March 2023 and will be held in examination venues.

Vocational Subjects

Please note that students are required to attend lessons for vocational subjects until all their assignments for that subject are complete.

Pre-examination boosters

In some cases, students will have a pre-examination booster. These will be timetabled, and the details sent to students as well as parents/guardians. These are sessions with teaching staff to go over examination technique and key ideas and concepts immediately before the examination. Our experience shows us that these sessions put students at a real advantage, and we urge you to encourage your child to attend.

Easter Revision Dates

Please note that details of the Easter Revision sessions and sign up will be published this week.

Year 11 Good Luck Day and Prom

On Wednesday 8 May, we will be holding a good luck day for students. The details of the day will be confirmed closer to the time. Please note that students will be expected back in normal lessons on Thursday 9 May.

The Year 11 Prom will be on Monday 1 July.

Finally, please can you complete the request for information form, in the link below by **Thursday 28 March**. It is important that we hold up to date contact numbers for you and your son/daughter. Contact details for students will only be used in the event that they have not arrived on time for a public examination.
