Dear Parent/Guardian

### Year 11 Revision Corridor

I am writing to share with you the 'Revision Corridor' that I have put together to support Year 11 students prepare for their upcoming examinations.

The full list is detailed below. It includes:

- Topic specific revision sessions
- Practical sessions
- Subject drop-ins (students should come with an area/topic they would like support with)

I am incredibly grateful to all my colleagues who have freely offered their time to help Year 11 and allowed me to put together this comprehensive support package.

All sessions start at 3:00pm unless otherwise stated.

I hope your son/daughter decides to engage with these additional sessions and that it increases their confidence in being examination ready in their subjects. Should your child not be able to stay for the duration of the sessions advertised, they would be more than welcome to attend for part of any session.

Should your child have any questions, please encourage them to come and speak to me.

Yours sincerely,

Miss E Kelly

Head of Year 11
