Dear Parent/Guardian

Outcome of Recent Quality Assurance Review and Parent Survey Reminder

I am extremely pleased to be writing to you to inform you of the positive outcome of our recent Quality Assurance (QA) Review conducted by the Trust. Our school has been recognised and commended for continuing to demonstrate the high-quality provision that students receive across all key stages.

During the review process the Trust found leadership in all areas was determined, tenacious and reflective with a common goal to provide a highly effective learning environment for all learners. These findings are testament to the hard work and dedication our staff show every day. I greatly appreciate our talented, attentive and supportive team who make this school a delight to lead.

During lessons, all students were actively engaged in learning, and the teacher clearly modelled their expectations. Students are confident that they are going to be successful by attending this school and value Personal Development lessons. Student behaviour in and around the school was observed to be exemplary, credit to the students for showcasing all our schools' values.

In addition, our SEND provision was thoroughly assessed to ascertain the level of support provided to our SEND and Indigo Resource Base students. The Trust reported that our school prioritises creating an inclusive environment where students always come first and that our SENCO is highly effective in meeting the diverse needs of our students.

There are some recommendations the Trust has made, which we will endeavour to implement to further strengthen the quality of education and school experience of our students. These will be reflected in our 24/24 School Improvement Plan which I will share with you in September.

This amazing review would not be possible without the dedication and support of our staff, students, and parents. We appreciate the contributions of the school community in making Maiden Erlegh School a wonderful place to learn. With this in mind, I would like to take the opportunity to remind you of our annual parent survey. The deadline for completing the survey is tomorrow, Friday 22 March, please take a few minutes to complete the survey to help us understand what we are doing well and where we need to make improvements. Your feedback is invaluable to us and will assist us in shaping the future of our fantastic school.

To access the online survey, please follow the link provided: [Maiden Erlegh School Parent Survey](#)

Thank you for your continued support and contribution to our school.

Yours sincerely

Mr P Gibson
Headteacher
