Dear Parent/Guardian

Year 11 Good Luck Day – Wednesday 8 May 2024

On Wednesday (8 May 2024), we will be wishing our Year 11 students the best of luck for the exam period and celebrating all their efforts and accomplishments of the past 5 years. They will therefore have a different to normal school day.

They will need to arrive in their tutor areas for normal morning registration at 8:30am, before engaging with a series of morning lessons and a Good Luck assembly during period 4. The day will be a 'posh togs' non-uniform day for them - students should dress in smart-casual attire.

Should they wish to get a shirt signed as a memento of the last 5 years, they can do. They should bring this in addition to what they are wearing.

The Good Luck assembly will take place in the Main Hall and students will be dismissed home at approximately 2:00pm to prepare for their subsequent examinations. You will be aware that this is not their last day, but it is tradition that we have a Good Luck Day before the majority of the examinations kick-start over the remainder of the week.
