

22 May 2024

Dear Parent/Guardian

Year 12 Parents & Guardians are invited to attend a Virtual Trust Event on Google Meet 'Making Post Year 13 Decisions' – Tuesday 18 June between 6 & 7pm

We are delighted to invite you to a trust-wide **virtual event** aimed at helping parents and guardians learn how to support their young person with their next steps after Year 13.

Experience tells us that thinking and preparing early for life after Year 13 is key. Students are required to start applying for opportunities (e.g. university, apprenticeships, gap year, employment, etc.) from the Autumn Term of Year 13.

To express an interest in attending, please complete this [google form](#).

We aim to record the event to allow those unable to attend to view it later. This will be shared on the Trust website within the 'Careers' section.

We hope you can join us and look forward to seeing you on **Tuesday 18 June at 6pm** for what we hope will be an informative and interesting event.

With thanks and best wishes.

Yours sincerely,

Mrs A Finlason
Trust Careers Adviser
