

22 May 2024

Dear Parent/Guardian

**Year 10 Parents & Guardians are invited to a Virtual Trust Event on Google Meet
'Making Post Year 11 Decisions' – Tuesday 4 June 2024 between 6 & 7pm**

We are delighted to invite you to a trust-wide **virtual event** aimed at helping parents and guardians learn how to support their young person with their next steps after Year 11.

Experience tells us that thinking and preparing early for life after Year 11 is key. Students are required to start applying for future opportunities (e.g. sixth form, college, or apprenticeships) during the Autumn Term of Year 11.

To express an interest in attending, please complete this [google form](#).

We aim to record the event to allow those unable to attend to view it later. This will be shared on the Trust website within the 'Careers' section.

We hope you can join us and look forward to seeing you on **Tuesday 4 June 2024 at 6 pm**, for what we hope will be an informative and interesting event.

With thanks and best wishes.

Yours sincerely,

Mrs A Finlason
Trust Careers Adviser
