Dear Parent/Carer

Year 9 Assessment Week – Monday 12 to Friday 16 May

I am writing to inform you that the Year 9 students will be completing assessments between Monday 12 May through to Friday 16 May for their GCSE subjects. These assessments will take place during normal lesson times and will be conducted by their subject teachers within their usual classrooms.

Revision

To support your son/daughter in preparing for these important assessments, we have included a summary of the topics each subject's assessment will cover, along with directions to the relevant revision materials.

Should you have any questions or concerns regarding the upcoming PPEs, or if you would like additional advice on how to best support your child with their revision, please do not hesitate to contact the relevant subject teachers or a member of the pastoral team.

Thank you for your continued support.

Yours sincerely

Mr Bryant
Head of Year 9
