11 July 2025

Dear Parent/Guardian,

Year 7 - Careers and Wellbeing Day

As part of our pastoral and careers programme for Year 7, we are excited to offer a **Careers and Wellbeing Day** aimed at supporting students' personal development and introducing them to future opportunities.

Date: Wednesday, 16th July 2025

Time: 8.30-2.50

What to wear: PE kit. Please ensure your child brings a **hat** and **suncream**, as some activities will take place outdoors.

The day will be split into two key parts:

Careers:

Students will take part in **three hands-on practical sessions** delivered by external presenters, providing them with a valuable opportunity to learn directly from professionals in the workplace. These include:

- A session on **Robotics** led by our **Enterprise Advisor**
- A session from an **employer at the National Air Traffic Service**
- An interactive session run by **representatives from AWE**, focusing on **Engineering**

These sessions are part of our commitment to the **Gatsby Benchmarks**, specifically that students are given meaningful experiences with professionals across a range of industries and career paths — including both traditional roles and those involving emerging technologies.

Wellbeing:

- A session with the **JAC Team**, focusing on **kindness**, especially the importance of being kind to ourselves
- A variety of fun physical activities led by **USports**, including **Lacrosse, Quidditch, Ultimate Frisbee**, and **Danish Long Ball**

Aim High

Be Inclusive

Work Together

There is **no cost** for this day. Normal school expectations will be in place, and we ask that students are respectful and engaged with our visitors throughout.

We hope the students enjoy the day as much as we've enjoyed organising it!

Yours sincerely,

Claire Nimmo
Assistant Headteacher

Damien Bell
Assistant Headteacher
