

6 October 2025

Dear Parent/Guardian

Year 12 & Year 13 - MES 6th Form Senior Team Social Events

As you may be aware there is a student senior team in the sixth form. They are responsible for organising social events for students both within school and outside of school, as well as the Leavers Prom which takes place in summer 2026.

For any events during the school day, staff that are helping the students organise the event will ensure that these are compliant with our health and safety policies, and they will be risk assessed as necessary.

Please note that there will not be any staff presence at any of the social events organised after the school day, nor at the Leavers Prom. Also, none of these events are risk assessed by the school, as they are run independently by the senior team outside of the school day and not within the school site.

Should you have any questions or concerns, please contact Miss K Birch and Mrs A Gibson on mesyear12@maidenerleghtrust.org.

Yours sincerely

Miss A Cheshire
Assistant Headteacher - Head of 6th Form
