Dear Parents/ Guardians

Year 10 and 11 - BRIYM Parent Workshop: Revision – The Non-Hack

We are delighted to have secured the excellent team from BRIYM to deliver a series of parent information evenings throughout this academic year. This half term, they will be offering a session on effective revision techniques, aimed specifically at parents and guardians of students in Years 10 and 11. Future sessions will be directed at other year groups.

The event will take place on Wednesday 10 December 2025, from 6.00–7.00pm, in the Main Hall at Maiden Erlegh School.

About the session:

If you feel unsure about how best to guide your child through exams, this session will offer clarity and reassurance. We will explore how the teenage brain works during revision, practical techniques that genuinely help, and ways to keep your child motivated without creating pressure. Parents will leave with simple, effective strategies that teachers wish every family knew.

If you would like to attend, please [click here](#) to complete the form so that we know to expect you. Please note that the event is capped at **200 attendees** and places will be allocated on a first-come, first-served basis.

We would like to thank the BRIYM team for their continued support with this important work, and we hope that you will find the session valuable in supporting your young people.

Yours Sincerely

Mrs J Bhadye
Assistant Headteacher
