## **Purpose of the policy**

The purpose of this policy is to confirm the arrangements for candidates who are absent from an examination at Maiden Erlegh School.

An absent candidate may subsequently arrive once the exam is underway, becoming a late or very late arrival, at which point Maiden Erlegh School reserves the right to exercise discretion whether to allow a candidate who arrives after the start of the examination to enter the examination room and sit the examination. (See **Candidate Late Arrival Policy**)

Based upon the circumstances for the absence, and subject to the required conditions being met, an application for special consideration may also be made to the relevant awarding body.

## **1. Identifying and dealing with candidate absence**

A candidate will be considered absent from an examination if:

- The candidate is not present at the beginning of the examination, once the register has been taken and candidates have been seated.

Once a candidate is identified as absent from an examination, the following action will be taken:

- The candidate will be contacted as to their whereabouts and as far as possible arrangements made to ensure their immediate arrival
