

March 2026

Dear Parent/Guardian and Year 6 student

### **Admission to Year 7 – September 2026**

Welcome to Maiden Erlegh School! I am absolutely thrilled you will be joining our school community in September!

At present, we are planning to hold an induction day on Wednesday 24 June 2026 for all new students joining Maiden Erlegh School. Full details relating to what this day will entail will be communicated in due course, but this essentially allows us to welcome the children, give them a taster of some subject lessons and, most importantly, leave them feeling excited to be joining us in the autumn.

### **New Students**

Maiden Erlegh School is a special place. It is a place where you can grow as a person, make outstanding academic progress and form incredible memories that will last a lifetime. Opportunities exist around every corner at this school. You will make new friends and learn new things. You will have access to plenty of extra-curricular activities and explore what your future career plans might be. It is our mission to ensure that you thrive here!

### **Parents/Guardians**

As a parent, I know that important milestones in a child's life - such as the first day at a new school - can be exciting but daunting too. Please be reassured that your child is in safe hands at Maiden Erlegh School. Please do not hesitate to contact us should you have any questions, queries or concerns relating to the transition process; we are always very happy and willing to try and help. We will arrange to visit your child's primary school during the summer term, which is always something we value and enjoy. Full details relating to the transition process will be shared with you in due course.

I look forward to meeting you on the induction day, and once again, welcome to Maiden Erlegh School.

Yours faithfully

Mr S Jump  
Headteacher
