Dear Parent/Guardian

Year 11 – Schedule of Examination Study Support

Please find attached the schedule of examination study support that we are providing all year students up to the end of this half term.

This support programme will run from Monday 13 April until Thursday 21 May.

On Friday 1 May all Year 11 students will be involved in a Good Luck Day, the details of which I will send to you soon.

Public examinations begin on Tuesday 5 May. From Monday 11 May to Thursday 21 May, all Year 11 students will continue to follow their normal timetable; however, this period will operate as a revision timetable with teachers delivering revision sessions and supporting structured independent revision.

During this period until there will be some changes to the school day for Year 11 students. These are:

- Extended Lunch 12:15pm – 12:55pm
- Earlier Finish at 1:55pm for those without an afternoon public examination to enable students to use the remainder of the day for revision.

On Thursday 21 May, after the morning English Language examination, all Year 11 students will be released from school on study leave which will remain in place until the public examinations end on Tuesday 16 June.

During this time students will be given an Inventory card to access site, for safeguarding purposes students need to tap this card at the gate when coming on and off site.

Whilst all Year 11 students will be given a copy of their examination timetable, which will include the seats and rooms for each examination, you can access the full timetable by clicking the link below:

I hope this is helpful to both you and your son/daughter.

Yours sincerely

Miss E Kelly
Head of Year 11
