Dear Parent/Guardian

### Maiden Erlegh School Induction Day 2026

Now that it has been confirmed that your child has received a place at our school in September 2026, I am writing to inform you that our induction day is calendared for:

**Wednesday 24 June 2026**

We would like all the children to arrive at 9.30am (no earlier than 9.15am), where they will be welcomed at the gate before being directed to the Main School Hall for a welcome assembly. We will dismiss the children at 2.30pm, please see further information in the form below for exact dismissal times.

Please note that the school site and surrounding roads are very busy at the start and end of the day and cars are not permitted on the site to collect children. We recommend that you do not drive your child to school unless it is absolutely necessary as parking near the school is limited.

All children should bring a pencil case, a drink and either a packed lunch or approximately £3.50 to purchase a school meal (please bring exact money or small change). In the canteen there are cups and water for students to access during their lunch. For your child to attend, you must complete the information in the MS Form (as per the email invitation), giving permission **by Friday 15 May 2026**. **Please note that your child will not be able to remain with us for the school day if we have not received this form.**

Please do ensure that your child wears their primary school uniform. This helps us to identify who each child is!

If your child has a medical condition and requires medication, please ensure they bring this with them. Our Medical Officer will discreetly check that they have this at the start of the Induction Day. If your child has asthma indicated on their medical forms, please ensure that they have an inhaler with them for the duration of their visit, since this is the most forgotten item of medication.

If you have any queries or problems, please contact us by email at [mesoffice@maidenerleghtrust.org](mailto:mesoffice@maidenerleghtrust.org).

Aim High

Be Inclusive

Work Together

Please visit the dedicated area of our website, using the link below, for useful information on your child's transition to secondary school. [Primary Transition Year 6 -7](#)

We look forward to welcoming your child! It is our hope and intention that they are safe and happy here, and that they thrive!

Yours faithfully

Miss E Kelly  
Head of Year 7 (September 2026)
