

19 June 2026

Dear Parent/Guardian

Year 9 – Zoolab visit to Maiden Erlegh School

On Thursday 25 June 2026 (Periods 1 & 2), Year 9 students will attend an exciting Biomimicry and Engineering Show delivered by Zoolab, in partnership with EngineeringUK.

Through this interactive session, students will learn how engineers study animals to design innovative materials, robots, and technologies. The students may get to meet a live lizard, frog, tarantula, cockroach, and a snake. Those who might like to volunteer may have the opportunity to handle / touch a suitable animal at the end of the show.

There is **no cost** for this event.

If you have any questions or concerns, please contact me by email v.rogeon@maidenerleghtrust.org

Yours sincerely

Miss V Rogeon
Science Teacher
