June 2026

Dear Parent/Guardian

School Uniform and Equipment Requirements

As your child's Head of Year in September, I am keen to ensure all the students are fully prepared for their first day with us and with this in mind I wanted to remind you of the uniform and equipment required by each student for learning ready for September which can also be found in the Parent Handbook.

School Uniform

Full school uniform should be accompanied by black polishable shoes, with no logos. Students should be wearing a school blazer and not hoodies, jumpers, etc. This still applies in the summer term when summer uniform is being worn, if a student is cold then their blazer should be worn in this instance and not anything else.

Students who do not comply with uniform expectations will be expected to change into spare uniform that we have on school site. We will communicate with you, where we spot issues so we can work together to solve these. Please can I ask you to contact me if you can see any issues this may bring so we can support you starting September smoothly. For branded items, our uniform supplier is Stevensons - www.stevensons.co.uk. The full uniform and equipment list can be found on our website [Maiden Erlegh School - School Uniform and Equipment](#). We recognise that some families may at this time be experiencing financial hardship, if this is the case or you are in receipt of Pupil Premium funding, then please do not hesitate to contact us, if you require additional support. We do have some spare/second hand equipment in our inclusion department and will support wherever possible.

Personal Appearance

In addition to their uniform, we will continue to uphold the high standards we expect in terms of person appearance, including:

- Well-groomed hair.
- Long hair tied back.
- One small silver/gold stud in each ear only. Students must be able to remove these for practical PE lessons, so we advise students to get any piercings at the start of the summer break to allow sufficient time for the ear to recover.
- No other jewellery should be worn to school, including rings.

Aim High

Be Inclusive

Work Together

- Natural coloured hair.
- No make-up or nail varnish.
- We recommend that all students wear a wristwatch for school.
- Head scarves may be worn for religious reasons and should be plain black or navy.

Equipment for Learning

All students are expected to enter a classroom, ready to learn and this includes them having the correct equipment to do this. The equipment listed below should be contained within a **transparent pencil case**. This pencil case allows tutors to check the equipment of students quickly and easily. We appreciate that students may not be able to fit a scientific calculator and Maths set in their transparent pencil cases and so we are happy for these to be carried separately in their school bags. This information can be found on our website [Maiden Erlegh School - School Uniform and Equipment](#).

Equipment:

Pens – black/blue, green and red

Writing pencils

Coloured pencils

Rubber

Pencil sharpener

Glue stick

30cm ruler

Maths set (containing protractor, compass, set square)

Scientific calculator – we recommend a Casio calculator - FX-83GTCW or FX-85GTCW, however most scientific calculators are fine.

At least 2 highlighters

Transparent pencil case

Water bottle to be filled up across the day

This equipment is compulsory, and we will be asking our pastoral team to check that students still have this equipment. Please can you support this in checking your child's pencil case and refill any equipment that may have been mislaid or used up.

Thank you for your support and I look forward to welcoming and getting to know all of the children in September #TeamMaidenErlegh.

Yours sincerely

Miss E Kelly

Head of Year 7 – September 2026
