Dear Parent/Guardian

Year 11 Pre-Public Examinations – Preparation Guide

As part of our preparation for the upcoming Year 11 Pre-Public Examinations (PPEs) in November, all Year 11 students have now been issued with a Year 11 PPE Preparation Guide.

The guide contains important information, revision advice, and resources to help students organise their preparation and make the most of the time available before their examinations.

To ensure all students can access the guide, a digital copy has also been uploaded to Google Classroom.

<https://heyzine.com/flip-book/50f68542f2.html>

We encourage you to discuss the guide with your child and support them in establishing a regular revision routine in the lead-up to the PPEs.

Thank you for your continued support.

Yours sincerely

Mr S Bryant
Head of Year 11
