

Thirteen Chairs
Dave Shelton

In an abandoned house, the ghosts gather. They argue, they laugh, and they tell their stories. Some tell their own stories. Some tell stories they have heard elsewhere. Some of them are true. Some are not. But each tale draws you closer.

One by one, the storytellers depart, until suddenly it's just you and the narrator, alone in the dark...

Michael Grant

This collection contains all six books in *New York Times*' bestselling author Michael Grant's breathtaking dystopian sci-fi *Gone* saga. These page-turning thrillers invoke the classic *The Lord of the Flies* along with the horror of Stephen King. King himself said: "I love these books."

No way to get help. And no way to figure out what's happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by the day. It's a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. . . .

Michael Grant's *Gone* series has been praised for its compelling storytelling, multidimensional characters, and multiple points of view. Included in this collection are: *Gone, Hunger, Lies, Plague, Fear, and Light*

Tape
Steven Camden

Record a voice and it lasts forever...

In 2013, Ameliah moves in with her grandmother after her parents die. There, she finds a tape in the spare room. A tape with a boy's voice on it – a voice she can't quite hear, but which seems to be speaking to her.

Ryan and Ameliah are connected by more than just a tape.

This is their story.

One Day in Oradour
Helen Watts

On a hot summer afternoon in 1944, troops wiped out an entire French village. 644 men, women and children died that day. Just one child survived. This book tells the story of what happened in Oradour, and imagines what drove both the officer who ordered the massacre, and the seven-year-old boy who escaped it. Nominated for the 2014 CILIP Carnegie Medal for an outstanding book for children and young people, *One Day in Oradour* is powerful, moving and almost unbearably tense. It weaves the truth about what happened to the people in Oradour into a powerful fictional story centred on two characters: the plucky, inspirational seven-year-old Alfred Fournier, refugee and resident of Oradour, and the hot-headed, power-hungry commander who shattered his world and changed his life for ever, Major Gustav Dietrich. As their two worlds collide, we gain a fascinating insight into the extremes and contradictions of human behaviour and emotion. With a twist in the tale, this is a story which leaves the reader surprised, inspired and profoundly moved
