Dear Parent/Guardian

Sims Parent/Parent App Survey

Since launching the Parent App at the beginning of this academic year you have now had two sets of student reports sent via this App. You will also have been able to access a wealth of information about your child's timetable, conduct, and assessment data. Using the app you have also been able to amend the contact information and medical information concerning your child. We are very keen to hear how you rate this service. Please rate your experience using the first two questions, indicate which aspects of the App you have viewed in the third question, and then comment freely in response to the last three questions.

[MES Parent App Survey](#)

What you will find in the SIMS Parent app:

- Important information such as attendance, behaviour and achievements.
- School term, inset dates and contact details available at the click of a button.
- Access your child's school report.
- Receive notifications to remind you about important information such as key dates for your diary.
- Access to update your contact details, so we always have the most up-to-date information in case of emergency.
- If you have more than one child at school, you'll have access to information for all your children, from the same app.

Yours sincerely

Mr G Attridge
Trust Lead for Assessment and Reporting
