Dear Parent/Guardian

Annual School Survey

Every year we ask parents and students to participate in our annual school survey. The feedback we receive is extremely important and makes a real difference as it feeds into our school improvement planning. You can find out more about the impact of your feedback on the "You said ... We did ..." section of our website [HERE](#).

We are very lucky as we typically get a good number of responses, both from parents and students, and feedback is overwhelmingly positive and constructive. This is encouraging as it is always good to know what we are doing well, but there are always things that we can do to make school even better.

Mr Gibson and I would very much appreciate it, therefore, if you could spare some time to fill in the parent survey and to encourage your son/daughter to complete the student survey. They are not long.

I would like to thank you in advance for your family's support with these surveys. Please note that they will close on Tuesday 19 March 2019.

Yours sincerely
