Dear Parent/Guardian

### Reminder of Annual School Survey

Every year we ask parents and students to participate in our annual school survey. The feedback we receive is extremely important and makes a real difference as it feeds into our school improvement planning. You can find out more about the impact of your feedback on the "You said ... We did ..." section of our website [HERE](#).

The surveys close on Tuesday 19 March and we would very much appreciate you taking the time to provide feedback, whether it be positive or negative. It is always good to know what we are doing well, but there are always things that we can do to make school even better.

I would very much appreciate it, therefore, if you could spare some time to fill in the parent survey and to encourage your son/daughter to complete the student survey. Even if you are happy with all we are doing please could I ask you to take the time to fill this in. It should take no more than 10 minutes.

If you have any problems with the above link or would like a hard copy of the survey, please do not hesitate to contact reception.

I would like to thank you in advance for your family's support with these surveys. Please note that they will close on Tuesday 19 March 2019.

Yours sincerely
