Dear Parent/Guardian

### National awards for performance

I am delighted to share that Maiden Erlegh School has been recognised nationally for its excellent results in 2018 based on data from the Department for Education and Ofsted, analysed by SSAT, the Schools, Students and Teachers network. Maiden Erlegh School was found to be among the best performing secondary schools in the country, receiving two awards for being in the top 10% of non-selective schools nationally for attainment and progress. This is the fifth year in a row that the school has been awarded this.

The SSAT Educational Outcomes database compares all state-funded schools in England and the highest performing schools for a range of key measures are awarded SSAT Educational Outcomes Awards. We will be presented with our award during the summer term at a ceremony attended by winners from across the region.

Sue Williamson, Chief Executive of SSAT said:

“I am delighted that Maiden Erlegh School has won two Educational Outcomes Awards. This recognises one important aspect of the school’s work but at SSAT we believe an outstanding school has deep social justice at the heart of its plan; it subjects that plan to constant challenge and innovation; and it liberates teachers to perform brilliantly in the classroom. SSAT is pleased to recognise the quality of leadership and the hard work of all staff to ensure the success of every child. A big thank you and well done to students, parents, staff and governors.”

We are very pleased to have all of our hard work recognised. Thank you to the students and staff for all of their hard work and dedication.

Yours sincerely

Mr P Gibson
